ASPEN

ASPEN WOOD FIREBOX

Aspen 60” wood burning fireboxes offer unmatched versatility, giving you the freedom to tailor every detail to your space and style.

With a wide selection of firebrick colors and interior liner options, you can create a personalized look that complements any aesthetic—from classic to contemporary. Designed for ultimate flexibility, Aspen fireboxes can be configured to burn traditional wood or adapted for gas, allowing you to choose the fuel type that best suits your lifestyle. The result is a stunning centerpiece that blends timeless ambiance with modern convenience.

TAILORED FINISHES

What truly sets this unit apart is its versatility in finishing. You can achieve a unique look by finishing the firebox interior with one of our precast concrete liners or firebrick. This flexibility allows for endless design possibilities to match any aesthetic.

FIREBRICK

SOAPSTONE RED BUFF

The arrangement of brick in a fireplace offers a balance of functionality and form. Consult with your mason for pattern ideas and best practices.
