DELUXE SERIES

NATURAL BLAZE BURNER

Product Details

Our Beachcomber, Stony Creek, Highland Oak and Berkley Oak log sets feature three log material options, exclusive technology from Monessen, and a more robust look, making them perfect for larger fireplaces. No chimney or venting makes installation fast, easy and affordable in almost any space.

All Deluxe Series vent free log sets feature:

- EXCLUSIVE Natural Blaze technology
- Cast iron grate standard with burner
- IntelliFire® Plus (IPI) with ODS or millivolt control
- Volcanic rock, rock wool embers and ember bed log switch

EXCLUSIVE Natural Blaze Technology

This innovative burn system provides taller, more lively flames, creating a realistic, moving fire. Achieving beautiful yellow flames instantly, Natural Blaze technology produces an authentic fire, every time.

IntelliFire Plus with ODS

With electronic ignition, this system lights the pilot only when you turn it on, saving energy. It's battery operated, so you can be assured of reliable operation even if the power goes out. And with five-step flame height adjustment and standard remote control, you'll have the ultimate in fireplace control at your fingertips.
